**FROM:** Mike Michael

**DATE:** November 21, 2018

**SUBJECT:** Direct Bill Open Enrollment 2019 Report

The Direct Bill Open Enrollment for retirees was held from October 16 through November 15, 2018. The Direct Bill call center staff conducted twenty-two (22) Direct Bill Open Enrollment meetings at ten (10) locations throughout the state and six (6) online webinars. There were approximately 1,300 individuals who attended an onsite meeting and seventy-five(75) attended a webinar.

This was the ninth year for retirees to use the online Open Enrollment system. Those members who elected to make no health plan enrollment changes did not need to take any action, as their current election will roll forward for Plan Year 2019.
